**Training For Excellence**

Perfection made simple

## EARNING FROM LEARNING WITH R-M TRAINING SEMINARS!

**Our goal at R-M is clear :  
ensuring you are completely satisfied  
with your preferred paint partner.**

We turn training courses into customised modules designed to maximise your productivity and increase efficiency in your bodyshop. Quite simply, you will become increasingly efficient!

**TRAINING FOR EXCELLENCE IS OUR  
PROMISE THAT YOU WILL MEET  
THE CHALLENGES OF TODAY'S  
COMPETITIVE BODY REPAIR INDUSTRY :**

➤ We advise on selecting the right seminars to meet your performance requirements. Our training seminars meet practical goals in accordance with your expectations.

➤ We guarantee you optimum knowledge transfer. Our training seminars aim to deliver outstanding quality and are based on innovative teaching methods which assist the course participants in acquiring and retaining knowledge.

➤ We reinforce your competencies for improved profitability in your bodyshop.

**Training For Excellence :  
new teaching methods for better efficiency.  
A win-win situation for both the participant  
and your company.**

- The motives of the individual participants are evaluated to make sure they match the course goals.
- The interactivity of our training seminars and the active participation of those attending enable the participants to profit from the contributions made within the group.
- Completely new target oriented exercises (in the form of actual case studies or activities) reinforce the transfer and acquisition of knowledge.

- Regular summaries with support by our trainers give the course participant reassurance and confirm what has been learned throughout the training seminar.
- Our Refinish Competence Center is a purpose built training facility designed to enable practical training of groups and individuals in all of the latest R-M products, techniques and processes.

**We look forward  
to welcoming you soon  
in one of our training centers!**
