GRAPHITE HD

Perfection made simple

# THE R-M PAINT LINE FOR TRUCKS, BUSES, COACHES AND ALL COMMERCIAL VEHICLES !

In response to the needs of the road transport industry, where productivity and material costs are vital economic factors, R-M has developed a comprehensive product line for (re)finishing all types of commercial vehicles.

## PRODUCT SAVING TIME SAVING

**GRAPHITE HD** can help increase the productivity of your bodyshop significantly while offering you the following benefits:

- ↗ Easy application.
- ↗ A highly concentrated product which benefits from the latest advancements in pigment technology (only one and a half coats required).
- ↗ Excellent hiding power and build.

**GRAPHITE HD's** high-quality products ensure fast and easy application and can help increase the productivity of your bodyshop.

A COMPREHENSIVE PRODUCT LINE... MEETING ALL YOUR NEEDS

**GRAPHITE HD** is more than just a paint line, it is a complete paint system :

- The undercoat portfolio (epoxy, PU, wash etc.) offers solutions for all types of paint finishing jobs.
- The chassis paints (in the desired colour) can be applied directly to all types of steel substrates without the prior application of a primer.
- The paint line also includes innovative products such as the **GRAPHITE HD DECO A** additive which allows the application of decorative elements (stripes, sign-writing etc.) in record time.
- The **GRAPHITE HD Color Guide** ensures painters can match the right colour, fast!

Of course we also offer training courses at R-M facilities or at your own bodyshop to help you get the best from **GRAPHITE HD**.

The R-M **GRAPHITE HD** system represents a perfect combination of high quality and maximum performance while complying with current solvent emissions regulations.

**GRAPHITE HD**, a complete system to increase your productivity !
